RE: CONFIRMATION OF APPROVED INSTALLER – RHINO THATCH TILES

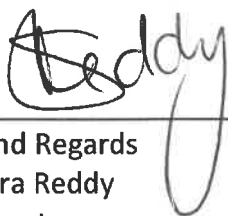

This letter serves to confirm that GHI Services is an approved installer of Rhino Thatch Tiles.

GHI Services is recognised as an installer familiar with the Rhino Thatch product specifications and recommended installation guidelines.

Rhino Thatch Tiles are a premium stone-coated metal roofing solution engineered for long-term performance and durability. The product is backed by a comprehensive 30-year manufacture's warranty, subject to standard terms and conditions.

For clarity, contractors and installers operate independently from Alliance International. Alliance International acts solely as the product supplier/distributor. Alliance International does not supervise, control or accept responsibility for the actions, workmanship, agreements or obligations of independent contractors or installers. Any installation contract is entered into directly between the property owner and the contractor.

Should you require and further information regarding our product, please feel free to contact us.

Kind Regards
Sara Reddy
Director
